Provision has no doubt been made in the entire Estt for the whole of the year 1945-46.

But whether Estt on the present scale throughout the year is necessary would have to be reviewed.

Since by the end of Nov^r we will know if there are any changes to be made in acquisition & distribution procedure owing to improved Conditions consequent on the Cessation of the war, we may reconsider the Continuance of this Estt till end of Nov^r
